

The Mission to pray for this week is:
FATFLESHED—Julian Dale (749073)

Fatfleshed

Sadly in the last 5 years there has been a massive rise in homelessness across the UK, and across our town. A lack of suitable housing, changes in the way benefits are assessed and administered, a gradual rise in mental health problems and family breakdowns and a reduction in the funds available to assist the most vulnerable have all impacted on the situation.

Please pray:

- **For our guests:** - those sleeping in doorways, in seafront shelters, in cheap tents on scrubland and on other peoples' floors and sofas. For those who have nowhere to keep their possessions. For those without the support of family or friends. For those who have no place of safety and who wander each day.
- **For our Leaders, Cooks and Volunteers:** - their safety, for energy, for God's guidance and for the right words to welcome and befriend our guests.
- **Give thanks to God:** - for another cook joining the Fatfleshed team, for the generosity of our supporters, for peaceful meals in the last few months and for the local Christian homelessness charities working closer and closer together.

Jesus, help us to see your face in the eyes of every homeless person we meet."

May Andy feel God's peace during this last week

Let us sing praises to our wondrous Saviour with joy

The Mission to pray for this week is:
OPEN DOORS—Peter Cooper

Please pray for North Korea:

- As you eat, think of North Korean Christians who share the little food they have with others. Ask God to protect the workers as they smuggle in food to our brothers and sisters.
- Christians in North Korea have to bury their Bibles for safety. Pray for their protection as they read it in secret and for those who smuggle Bibles to the Christians there.
- North Koreans are always being watched and records kept of everything they do, where they go and who visits them. Pray that God will make seeing eyes blind and that the Christians will not be discovered.
- Thousands of Christians are in prisons or labour camps. Pray for strength and comfort for them; especially for those who have started to lose hope, or have given up on their faith, that they will know God's love and presence with them.
- Pray that one day soon the Christians of North Korea will be able to meet together and worship in freedom.

COMPASSION—Ian Gardner (734742)

Please pray:

- For the people of Haiti— One of the children sponsored by All Saints, Kendy Love, lives in Haiti. Haiti is the poorest country in the western hemisphere. More than half the people live in abject poverty and 40% are unemployed. One quarter of infants have low birth weight. Most people in rural areas lack access to basic needs of water and sanitation. The country has suffered devastating hurricanes in recent years.
- For three sponsored children:-
⇒ **Abel** from Ethiopia is suffering from a fractured jaw after being attacked by a hyena.
- ⇒ **Eduardo** from Guatemala has been diagnosed with leukaemia. His family are under great pressure. His father has just lost his job and his mother has just had another child.
- Pray that they may know the Lord's peace and comfort, healing and recovery.
⇒ **Steven** from Esmeraldas in Ecuador was walking home from church in May last year. He was attacked by teenage boys who captured him, bound him, covered him in petrol and set him on
